Meetings about rezoning re: Dangerous Precedent on Kawagama Lake

Dear Neighbour,

A letter is about to be circulated shortly by Rob Walisser of Old Mill Marina inviting people who are interested to attend a meeting to be "facilitated" by Bob Campbell, President of the Kawagama Lake Association to "discuss your concerns and see if there are any changes he (Rob Walisser) make to satisfy them".

- We, the Residents/Cottagers Group, do not plan to attend. There is only one meeting which we feel it is appropriate at which to express our concerns, for obvious reasons, and that is the official Hearing before Council to be held (we have heard unofficially) is scheduled for Thursday, May 6th, 2010 at the Township of Algonquin Highlands, 1123 North Shore Rd., R.R. #2, MINDEN, Ontario.
- Please get in touch with us by email the.russell.landing.road.group@rogers.com for any comments or questions you might have.
- If you would like to be part of our delegation at the hearing before the Council of Township of Algonquin Highlands, your presence will be appreciated and supportive to the Group's cause – let us know soon.
- Please check for additional information about the meeting on the Algonquin Highlands website www.algonquinhighlands.ca
- An article was also recently published in the County Voice newspaper on April 14, 2010 and is available at <http://countyvoice.ca/content/old-mill-marina-proposal-faces-opposition>. We highly recommend that you review this very informative article.

Yours sincerely,

Hugh C. Reynolds
